Diet versatility without diet deprivation.

The mere act of dieting can reduce or eliminate the protein, minerals and vitamins your body craves. SECURE® Complete Meal Replacement delivers all the essential nutrition you need and fits perfectly into any diet or weight-loss plan as a healthy and nutritious snack.

A single scoop provides 25 to 50% of your daily requirement of vitamins including vitamins A, C, D, E and B. Plus, it also contains seven grams of high-quality soy protein. So it will help you feel fuller longer, without the urge to snack between meals. Even your carb cravings will be reduced.

Your choice of six luscious flavors:

- **Chocolate** -- Tastes like a rich silk pie
- **Vanilla** -- As delicious as your favorite vanilla ice cream
- **Coffee** -- If you like iced coffee, you'll love this
- **Berry** -- Great with yogurt and fruit, or even on oatmeal
- **Peanut Butter** -- Like a Reese's peanut butter cup without the chocolate shell
- **Piña Colada** -- Did somebody say Tahiti?

A delectable taste you'll love.

Let's face it: you could manufacture the best weight-loss product in the world. But if it doesn't taste great ... and I mean so good

you can't wait to have more ... it's pointless. Nutrition is key, of course, but taste is the make or break factor. SECURE has a full, enjoyable taste you'll rave about.

You can drink SECURE for breakfast, lunch or dinner—it's a healthy and filling meal. Or mix with milk, water, juice and in smoothies – it dissolves instantly. For extra nutrition, add it to baked goods, hot cereals, even a low-fat/hi protein/low carb chocolate cake.

SECURE Complete Meal Replacement means eating less and loving it.
